OFFICIATING FEES & POLICIES FOR GIRLS BASKETBALL – WINTER 2020

---

Action Item
Discussion Item

Presenter:
Greg Ransom, CAC Chairman

Proposal:
Consider approval to change the current language in the Fees and Policies under Girls Basketball. The change in language under selection of officials. The change would be, “a replacement will be selected by the NYSPHSAA Chairperson or their designee”.

Effective Start Date:
Winter 2020

Rationale:
The current language states that is 23 officials are not submitted the replacement: officials will be selected from the host section. Selecting from the host Section creates potential conflicts of officials working certain games and the ability of the officials to work certain classes. This may be the case this current season because of the Class AA and Class A semifinal games on Saturday along with the Class B, C, D final games on Saturday as well.

Proposal Originated:
Girls Basketball Committee to the Championship Advisory Committee

Budgetary Impact:
There may be an increase in travel cost to NYPHSAA due to an official coming from outside the host Section.

Regional Rotations—ESTABLISH STANDARD REGIONAL ROTATION FOR 5-CLASS SPORTS

____ Action Item  
X Discussion Item

Presenter:
Robert Zayas, NYSPHSAA Executive Director
Joe Altieri, NYSPHSAA Assistant Director
Todd Nelson, NYSPHSAA Assistant Director

Proposal:
The NYSPHSAA Staff is seeking approval of a standard regional rotation for 5-class sports (b/g basketball, b/g soccer, baseball, softball).

Effective Start Date:
If approved, this proposal will go into effect after current rotations expire. See expiration dates in Exhibit A.

Rationale:
Adopting a standard regional rotation will provide equity and continuity for 5-class sports so all abide by the same Region assignments for sections. Sport committees can determine the specific rotation each year based on the pre-set standard Regions.

Proposal Originated:
At the August 2019 Central Committee Meeting, the NYSPHSAA Staff was charged with the task of exploring a standard Regional Rotation for all sports. The Championship Advisory Committee also tasked the NYSPHSAA Staff to inform sport committees and begin exploring a standard rotation. The proposed 5-class Regional Rotation is part of the task to explore standardizing Regions. Variation sports will be reviewed in the same manner.

Budgetary Impact:
The proposed set up will help keep contiguous sections playing against each other in Regional contests.

Notes:
The current sports this will impact are listed in Exhibit A with their regional rotation start/expiration years.

EXECUTIVE COMMITTEE MEETING – FEBRUARY 7, 2020

CLARIFICATION OF SHARED SERVICES RULE

___ Action Item
___ Discussion Item

Presenter:
Robert Zayas, NYSPHSAA Executive Director

Proposal:
Consideration of approval to clarify language in the NYSPHSAA Handbook related to Shared Services.

NYSPHSAA Handbook:
"NOTE: A student in shared services, part-time or full-time program, taking the equivalent of four subjects including Physical Education, is considered as being registered in the home school. A shared services student is only eligible at one school per school year (home district or shared service school) regardless of the interscholastic athletic programs offered. Exceptions for special cases must be approved by League and Section."

Effective Start Date:
Fall 2020

Rationale:
NYSPHSAA staff is often asked if a student receiving shared services is able to participate in interscholastic athletics at their shared service school during one season (i.e. Fall volleyball) and also participate at their home district in another season (i.e. Spring track & field). Approval of this clarification would provide consistency in interpretation and enforcement.

Proposal Originated:
NYSPHSAA staff.

Budgetary Impact:
None.

Notes:

NYSPHSAA Handbook Committee supports this proposal.

CLARIFICATION OF TRANSFER RULE

___ Action Item
___ Discussion Item

Presenter:
Robert Zayas, NYSPHSAA Executive Director

Proposal:
Consideration of approval to clarify the NYSPHSAA Transfer Rule:

NYSPHSAA Transfer Rule:
“b. A student who transfers without a corresponding change in residence of his/her parents (or other persons with whom the student has resided for at least six months prior) is ineligible to participate at the varsity level in any interscholastic athletic contest in a particular sport for a period of one (1) year if as a 9-12 student participated in that sport during the one (1) year period immediately preceding his/her transfer. A student’s period of ineligibility begins with the date of registration at the student’s new school. NOTE: Students in grades 7-10, shall be eligible to participate at the sub-varsity level and practice at all levels, while students in grades 11-12 shall be limited to practice (all levels) only. (July 2019). At no time during the one-year period of ineligibility at the varsity level should a student participate in a scrimmage or be an exhibition participant at the varsity level.”

Effective Start Date:
Fall 2020

Rationale:
In an effort to ensure consistency and uniformity in interpretation, the addition of the above language will help to clarify “when” a student’s period of ineligibility begins.

Proposal Originated:
NYSPHSAA staff.

Budgetary Impact:
None.

Notes:
NYSPHSAA Handbook Committee supports this proposal.

EX-OFFICIO MEMBER BOCES DISTRICT SUPERINTENDENT

___ Action Item

X Discussion Item

Presenter:
Robert Zayas, NYSPHSAA Executive Director

Proposal:
Consideration of approval for BOCES District Superintendents to be included as an Ex-Officio member of the NYSPHSAA.

NYSPHSAA Constitution:
“6. The Honorary Past Presidents, Past Presidents, Executive Director, other Executive staff, Executive Director of the Pupil Benefits Plan, Inc., State Education Department Liaison, affiliate association representatives, BOCES District Superintendents and a representative of NYS School Board Association as ex-officio members may participate in the meetings of the association, the Central Committee, the Executive Committee, without the right to vote.”
*Strikethrough* language above would be added to NYSPHSAA Constitution

Effective Start Date:
Fall 2020

Rationale:
Prior to Commissioner Elia leaving the New York State Education Department, she requested the NYSPHSAA consider the addition of the District Superintendents as an Ex-Officio member.

Proposal Originated:
Discussion with NYSED Commissioner.

Budgetary Impact:
None.

Notes:
Since the declaration of Ex-Officio members is included in the NYSPHSAA Constitution, the membership of NYSPHSAA would be required to approve the revision via a referenda vote; 2/3 majority vote would be needed for approval.

MVP RECOGNITION, ALL-STATE, ALL-TOURNAMENT AWARDS

Action Item
Discussion Item

Presenter:
Robert Zayas, NYSPIHSAA Executive Director

Proposal:
Consideration of approval to only present NYSPIHSAA awards during NYSPIHSAA State Championship awards ceremonies.

Effective Start Date:
Fall 2020

Rationale:
Overtime non-NYSPIHSAA awards (MVP recognition, All-State and All-Tournament selection, sportsmanship, etc.) have become part of the NYSPIHSAA State Championship awards ceremonies but are not supported nor endorsed by NYSPIHSAA. These awards are presented by various organizations and groups (i.e. coaches association, officials association, etc.). Non-NYSPIHSAA awards create lack of consistency and equity issues amongst all championships, while also delaying the presentation of the NYSPIHSAA state championship medals, champion shirts and plaques.

Proposal Originated:
Championship Advisory Committee.

Budgetary Impact:
None.

Notes:
NYSPIHSAA Sport Coordinators manual states:
"Approval by the Championship Advisory Committee is required for the presentation of awards exclusive of NYSPIHSAA awards (ex.: All-Star, MVP, Most Outstanding, etc.). These types of awards must be financed locally and are not the responsibility of the NYSPIHSAA, Inc. EXCEPTION: Sportsmanship Awards by State Officials Associations require only the approval of the State Sport Committee."

FOOTBALL – REVISE THE NUMBER OF GAMES LEADING UP TO PARTICIPATION IN THE NYSPHSAA STATE FOOTBALL CHAMPIONSHIPS

___ Action Item
X Discussion Item

Presenter:
Gary Vanderzee, NYSPHSAA Football State Coordinator

Proposal:
Consider approval to amend NYSPHSAA Football Rule 10.08.01 with the following revisions:

10.08 NYSPHSAA Football Rules:
1. With Section approval a contestant (or team) may participate in no more than ten (10) interschool football contests, inclusive of excluding sectional championships. For those sections involved in the state championship three additional games are permitted for a total of thirteen fourteen (13-14) games for the season: one (1) game for regionals, one (1) game for semifinals, and one (1) game for championships.

Effective Start Date:
Fall 2020

Rationale:
1. This will create more playing opportunities across the state for our student-athletes with minimal change.
2. In conjunction with the later starting date, it will allow schools to complete their regular season before weather becomes an issue.
3. It will allow schools/sections to schedule an (8) game regular season (instead of 7) and still conduct 3 rounds of playoffs. This helps address the concern from some that schedules are playoff driven with little concern for non-playoff teams.
4. Gives schedulers/schools more flexibility in scheduling traditional rivalries.
5. This could give programs more flexibility in scheduling alternative games to satisfy competitive balance (safety).
6. Minimal expansion/impact on the total number of games played.

Proposal Originated:
NYSPHSAA Football Committee on December 12, 2019. The committee was unanimously in favor of the proposal.

Budgetary Impact:
None.

Notes:
Currently, Section 8 and Section 11 are playing their Sectional Championship as game 11.

B/G BOWLING—RULE #9 OIL PATTERN PREPARATION FOR PRACTICE ROUND (IF HELD)

___ Action Item
___ Discussion Item

Presenter:
Mike O’Connell, NYSPHSAA Boys Bowling State Coordinator
Eileen Shultis, NYSPHSAA Girls Bowling State Coordinator

Proposal:
The NYSPHSAA Bowling Committee is seeking approval to amend Bowling Rule #9 in the NYSPHSAA Handbook to read as follows:

9. The oil pattern will be prepared for the practice round (if held), with the understanding that pattern will be set as consistent as possible throughout the tournament. Additional pertinent lane information will be included in the pre-tournament announcement. [Aug. 2009]

Effective Start Date:
2020-21 season

Rationale:
The official practice session for the state championship was discontinued in 2019. However, language should be modified if it is to be reinstated at a future date.

Proposal Originated:
The proposal was presented by Section 3 and discussed by the State Committee on October 18, 2019. The committee voted 16-0 in favor of this proposal.

B/G BOWLING – RULE 5.08. #4 REMOVE LIMITATION ON BAKER TOURNAMENTS

— Action Item
— Discussion Item

Presenter:
Mike O’Connell, NYSPIHSAA Boys Bowling State Coordinator
Eileen Shultis, NYSPIHSAA Girls Bowling State Coordinator

Proposal:
The NYSPIHSAA Bowling Committee is seeking approval to amend Bowling Rule 5.08, #4 in the NYSPIHSAA Handbook to read as follows:

4. The Baker format is permitted and subject to the following equivalence: 5 baker team games = 1 standard team game. A combination tournament, where both standard team games and baker team games are used, is permitted provided that the total number of games does not exceed the maximum allowed number of standard equivalent games.

Effective Start Date:
2020-21 season

Rationale:
The existing rule of limiting the Baker format to two (2) times per season is arbitrary. The existing limitation of eight (8) Baker games in a combination tournament is arbitrary.

Proposal Originated:
The proposal was presented by Section 3 and discussed by the State Committee on October 18, 2019. The committee voted 16-0 in favor of this proposal.

GIRLS GOLF – RULE 11.08, #4 ALLOW COACHES TO COACH ENTIRE STATE TOURNAMENT

Action Item

Discussion Item

Presenter:
Jamie Harter, NYSPHSAA Girls Golf State Coordinator

Proposal:
The NYSPHSAA Girls Golf Committee is seeking approval to revise 11.08 #4 in the NYSPHSAA Handbook to “Girls Golf – Point of Emphasis, Board of Education approved coaches may coach their athletes during their round.”

Effective Start Date:
2020 State Tournament (June)

Rationale:
Coaches were previously permitted to coach only from green to tee. This proposal will now allow for coaching to take place at any time during the tournament. The USGA currently allows for coaching at any time during a tournament.

Proposal Originated:
The proposal was discussed by the State Committee on October 23, 2019. The committee voted 7-0 in favor of this proposal.

THUNDER & LIGHTNING POLICY
(Effective 10/25/04)
(Revised October 20, 2008)

Applies to regular season through NYSPHSAA Finals:

1) Thunder and lightning necessitates that contests be suspended. The occurrence of thunder and/or lightning is not subject to interpretation or discussion - thunder is thunder, lightning is lightning.
   a) With your site administrator, set up a plan for shelter prior to the start of any contest.

2) When thunder is heard and/or when lightning is seen, the following procedures should be adhered to:
   a) Suspend play and direct participants to go to shelter, a building normally occupied by the public or if a building is unavailable, participants should go inside a vehicle with a solid metal top (e.g. bus, van, car).
   b) Do not permit people to stand under or near a tree; and have all stay away from poles, antennas, towers and underground watering systems.
   c) After thunder and/or lightning have left the area, wait 30 minutes after the last boom is heard or strike is seen before resuming play or competition.
