OCIAA Tyler Muise MVP Award Application

Nominee: __________________________________________

School District: _______________________________________

Sports Program: _______________________________________

Years Participated: ________________________________

Athletic Director Signature: __________________________

The Tyler Muise MVP Award celebrates and acknowledges the unique ways in which students with special needs positively impact an interscholastic athletic program. These students give their time and effort to enhance the experience of all those around them and ask for nothing in return. As such, acknowledgment of their dedication to sport and the relationships and inclusivity they foster should be recognized and rewarded. The OCIAA is proud to honor the recipient of the Tyler Muise MVP Award at the annual OCIAA Senior Scholar Athlete Breakfast.

Requirements:

1. Nominee shall be a current special needs student that works with an interscholastic athletic program.

2. A letter of recommendation for this award shall be sent from both the School District (Athletic Director, Coach, Teacher or Administrator), and a Captain of the team the student participates with.

Full Applicant package should be returned to us by April 12th, 2019.

LEADERSHIP TRAINING COURSES (LTC) ARE PART OF THE NIAAA CERTIFIED ATHLETIC ADMINISTRATOR PROGRAM (National Interscholastic Athletic Administrators Association)

The NIAAA Certification Program is a voluntary professional service to athletic administrators and is based on the premises of continuing education, professional growth and program development in the vocation of interscholastic athletic administration. It recognizes and incorporates the professional development opportunities provided by the Leadership Training Institute. The attainment of professional certification demonstrates the completion of a comprehensive plan for self-improvement that will enhance the ability of the athletic administrator to better serve the school, community and profession.

The NIAAA became a member of the National Certification Commission in October 1995 in an effort to stay abreast of information pertinent to the Certification Program on a national scope. On October 26, 2001, the NIAAA Certification Program was granted "full registration" by the National Certification Commission recognizing the NIAAA Certification Program as one meeting the commiissions' rigid standards of excellence. Learn more about the purpose, objectives, benefits and procedures for attaining at the NIAAA website at www.niaaa.org.

PROGRAM

LTC 631 ATHLETIC ADMINISTRATION: EMERGENCY MANAGEMENT OF INTERSCHOLASTIC ATHLETIC EVENTS

This course will provide an overview of how to mitigate/prevent, prepare for and manage emergencies during interscholastic athletic events. The course will highlight venue and event safety, security and emergency management issues. The course will provide guidelines for creating an emergency plan, assessing the venue for risks and needs, developing and implementing emergency management plans and debriefing after an incident. Participants will receive a workbook along with the training and a certificate of completion. For these athletic administrators working on receiving their national certification, this course can count toward the course requirements for that certification.

The NYSPHSAA Executive Committee voted at their May 2018 Executive Committee meeting to endorse LTC COURSE 631 as a recommended course for all NYSHS Athletic Administrators.
